Description of Quilt: Please give your quilt a descriptive name such as "Megan's red and white Log Cabin Quilt".

Size of Quilt: Measure and record in inches the width of the top and the length of the top.

Size of Backing: Record the measurements of the width and length of the backing. *NOTE: Backing must be at least 8" wider and 8" longer than the quilt top. Ex: a quilt 60" x 80" must have backing that is 68" x 88." If your backing is less than this size, contact us to discuss what may be done.*

Type of Quilting: Check the type of quilting you want

- **Basting Only:** Have your top, batting and back machine basted together for hand quilting. Choose either a grid or large all over meander in a long stitch length that is easy for hand quilters to remove.
- **Medium–Large Meander:** Medium to large meandering over your entire quilt.
- **Panto:** A design repeated over your whole quilt (also called "all over", "pantograph," "panograph," or "edge-to-edge" quilting).
- **Panto/Border:** This means we use a Medium to Large Meander, or other Panto in the main center section of the quilt. The outer around it will be quilted with a border and border corner design. You may indicate desired patterns in desired patterns in the pattern section of the form
- **Custom:** Any quilt with several patterns, or stitch in the ditch, outlining, etc. will fall in the custom quilting category. We will need to see your actual quilt to give you an accurate quote. AAQ has many block, sashing, and fill or texture patterns to choose from. Please call for a free consultation to be held by phone or email, at our studio, or other agreed upon location.

Pattern Theme or Style:

Also:

- Write in the pattern name and AAQ number of pattern/s you have selected from our patterns page, or
- Ask us to suggest several patterns for you to choose from, or
- Ask us to choose the pattern/s that we think suit your quilt.

Please describe type of quilting you would like; such as traditional, contemporary, whimsical, masculine, feminine, child-like, elegant, folksy, oriental, Native American, etc. and tell us how dense you'd like the quilting to be.

Thread Color/Type:

- Describe thread color you want. For example, "a couple of shades darker than the purple border of my quilt", or "match the main color in solid color blocks."
- Or ask us to suggest several possibilities and let you choose.
- If you want different colors used in different places on the quilt draw a diagram on the back of the worksheet and make notes.
- NOTE: If you do not specify thread color AAQ will choose a color to complement your quilt but not detract from the piecing. We will write in the actual price for thread if you choose specialty threads.
- Indicate the fiber type - polyester, cotton, or other, or say "AAQ's choice"

Batting: You may supply your own batting or if you wish to purchase batting from AAQ indicate the type you want.

NOTE: Batting does NOT need to be pre-washed.

Backing: You may supply your own backing or if you wish to purchase backing from us, check white or natural muslin. *NOTE: If you pre-shrink your backing buy extra and measure AFTER you have washed and ironed it, to be sure it is the right size...*

Binding: If you want AAQ to bind your quilt, check which of the following services you need.

- Making: AAQ will make double fold binding from fabric you provide.
- Attaching: AAQ will machine stitch the binding to the top of the quilt.
- Finishing: AAQ will roll the binding to the back and finish with machine stitching in the ditch from the front of the quilt.

Miscellaneous Services: Check additional services you may need. Seaming the back, pressing, mending or making a quilt label are offered. If we discover a need you haven't indicated on your order, we will contact you to see if you wish to pay us to do it, or do it yourself.
